If you have felt disconnected or haven't been able to reposition yourself back at your own creative center, then look to the upcoming eclipses to provide you with the fresh fuel assistance you need There's still plenty of time to benefit from some guidance about how to best navigate this very intense month. There are so many ways the movement of the planets are setting us up for deep and profound transformation during this upcoming cycle.

Call LIV or DR. ARLAN CAGE CELESTINE CENTER 530-241-0208
